Glass Frame Doors

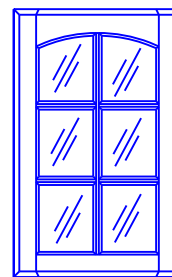

All doors can be made to accept glass Panels. Just indicate the door style to be matched, followed by "G" in the comments section. If you would like the door to have a lite pattern, indicate the desired number of lites/openings

Examples:

DS 100-G

DS 300-G, 6 lites

**Specify the Door Style to be matched followed by "G"*

**Specify the number of lites*

There is a charge of \$5/opening for doors with a lite pattern

Doors are Not supplied with glass

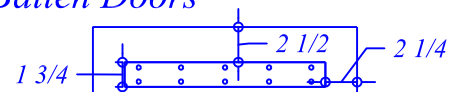

Rubber Glass Retainer

Clear Glass Retainer is available for \$0.20 per lineal foot

**Actual Size*

Slab & Batten Doors

Slab & Batten Door Notes:

** 1/8" Round on Batten Edges and Ends**

**Screw Locations on batten strips are approx. 3" O.C*

**Batten Strips are 3/4"x1-3/4" Standard*

**Batten Locations are as noted on the drawing*

**PLEASE NOTE*
Slab and batten doors are not guaranteed nor recommended in full overlay or tight tolerance applications*
